Connect App

If you are displaying your product on KISAN Platform.

You can Connect with Agri community. from anywhere, anytime.

Just install

KISAN Connect app.

- Connect from your **office, factory or a farm.**
- You decide your availability. **No time limit** for you.
- Once you are live on the app, farmers can **initiate call with you.**
- You can have **chat or video call** on whatsapp.
- Farmers can **send connect requests** at any time. You can call them at your convenience.
- App maintains **call history**, so you can connect again, even if you miss a call.

**Confirm
Your
Presence**
